DESCRIPTION

Ground Floor

The villa's dramatic entrance opens onto a grand spacious hall with a separate greeting reception room. Polished marble dominates both the entrance and the villa throughout. Furthermore, the ground floor has spacious and luxurious living areas with immaculate open plan design inviting relaxation and enjoyment of the fabulous sea views.

The dining area boasts a dramatic natural wood dining table comfortably seating 12-14 people with views of the front garden and the sea. Additionally, the kitchen is fully equipped with all mod-cons and offers in-kitchen dining adjacent to the main dining area.

The living room is stunning, boasting a floor-to-ceiling fitted library. Comfortable upholstered sofas and a glass coffee table upon a large natural fibre rug further enhance this enchanting space. The main living room gives onto an additional glass conservatory offering yet another bright space. Once again natural woods and fibres dominate both the furniture and seating.

The living room has a powerful sound system and the main televisions in the villa are equipped with digital Smart TV. Additionally, the villa allows audio to stream wirelessly to all rooms via Ipad, Ipad etc

First Floor

The Master Ensuite, located on the first floor, extends the full length of the house. Consequently, it offers both sea views from the bedroom and garden views from the bathroom and private terrace. The master bed in Villa Isla Cozumel features a fully upholstered and stunning 2m bed. Furthermore, the bedroom is equipped with a Safety deposit box & plasma TV (as are all bedrooms) and its own mini bar. The chaise longue by the window is once again, a perfect place to enjoy the view. There are extensive built-in wardrobes in the dressing area

In Villa Quek there are two more double ensuites on this floor, both with TVs. One benefits from sea views and the other with garden views

Second Floor

On the second floor are one double and one triple bedroom with ensuite and a small gym. All floors are accessible by a lift.
