DESCRIPTION

Inside, the newly renovated family house is a true piece of art - One of the most beautiful in our collection, with tasteful details at every corner, and the utmost comfort in each of the rooms. The entire house is air conditioned and can host up to 14 people. An optional “maison d'amis” (3 bedrooms) may be made available for personnel or young guests seeking privacy, please inquire.

When entering the front door of the bastide, guests are transported by the quality of the materials, stones, wood floors, and the soul of the home. You will find two cozy sitting rooms beautifully decorated, a fully equipped large kitchen – with cold room and “coin degustation de liqueurs” - and a large, warm and welcoming dining room.

Every detail has been done in the spirit of a most wonderful stay here - A Sonos sound system inside and out, a home cinema with 8 seats, even a piano in the adjacent Orangerie across the courtyard.

The seven bedrooms – Master is about 100 sqm – are all fitted with highly comfortable beds, fine linen and en-suite bathrooms. The annex has a different level of comfort.

The outdoor areas are no less amazing, and the terrain de boules and tennis court have lights for enjoying throughout the evenings. The fully equipped summer kitchen was set near the two-basin heated swimming pool. You will love your evenings dining on the terraces with lighted façades and garden areas, surrounded by music.

Three committed staff give daily attendance to the cleaning and the comfort of the guests; any kind of additional services can be offered.

Several starred restaurants can be found in the villages neighboring the property, the region is known for its Rosé wines, and many castles can be found near Cotignac, Salernes, Ponteves, and Carces.

This property is a dream come true for family gatherings or groups of people who are looking for relaxing holidays in a charming family house.
