Villa Rochow

Elegantly located on a hill overlooking the beautiful cypress trees, olive groves and vineyards of Chianti, sits Villa Rochow, an ancient stone Borgo, offering history, interesting architecture and culture. The owners bought this ruin several years ago and beautifully restored and lovingly refurbished this villa in a way that it combines its significant Tuscan heritage with super-chic contemporary interiors.

DESCRIPTION

The property has 8 elegantly appointed, luxurious suites offering all the facilities of a five-star luxury resort including a wellness house, a bath house, fenced in swimming pool, lounge terrace and a wine cellar. The extreme level of craftsmanship and attention to detail can be seen throughout the property; the parquet floor is made from the wood salvaged from oak wine barrels, a large stair tread (Serena stone) was transformed into an outside bench, a classic roof beam was made into a bar counter, the day beds around the pool were made from moss-covered stones, and marble slabs from a butcher's shop serve as sunbathing decks. Every bedroom offers utmost comfort and the bathrooms are sumptuous and elegant with Carrera marble.
