DESCRIPTION

Amenities are thoughtfully premium - for each and every guest's utmost satisfaction. Laid out on a hillside elevated from Kamala Beach, Villa Rom Trai, truly, holds out to you a grand holiday amidst a highland environment.

The villa has four air-conditioned bedrooms - all on the third level. All bedrooms have king-sized beds. The master bedroom and one guest room have dedicated bathrooms with rain showers. Two other guest rooms share one bathroom with a rain shower. All bedrooms open out to furnished, open-air terraces with fantastic views of the Andaman Sea. The master bedroom, however, also has a jacuzzi, jet tub or whirlpool on its terrace.

On the property's terraced exterior is a 12-meter infinity swimming pool on the fourth level. Dive into their alluring, crystal clear waters for your routine laps or buoyantly wade to the infinity pool's scenic end where you'll certainly stand - spellbound - as you look out to sea. If you wish to bathe, instead, in the sun, you can lounge on woven wood pool beds on the infinity pool's stone deck.

On the villa's sunny, spacious, airy and high-ceilinged fourth level is the living area with its large and long couches. Here, you can all gather to enjoy one another's company. There are two dining areas. The indoor dining area - with its long, timber wood table that accommodates 10 - is at the angled half of the common space. The alfresco dining area - with its long, picnic-style, glass-topped table - is out on the infinity pool's stone deck. At any of these dining areas, you can all savor authentic Thai specialties - as well as foreign fare - whipped up by the resident chef at the well-equipped, modern kitchen in the corner room of the common space. Alongside the indoor dinner table is a bar where beverages and all kinds of drinks can be brewed, mixed or poured out. On the villa's third level is a TV lounge where you can all await the next episode of the newest hit series. Or, relive the memorable moments of your most beloved classic movie. On the fourth level - in a room at the one end of the common space - is a library where you can spend some alone time fully engrossed in an interesting book. The different levels of the villa are serviced by a lift.
