DESCRIPTION

The large private villas that line the lush fairways of the Real Club de Golf Guadalmina are what make Guadalmina one of Marbella's most exclusive and established residential neighbourhoods, ideally situated, just a short drive from Marbella and Puerto Banús. The 36-hole golf course is a major landmark on both sides of Guadalmina, which is divided into two areas: Guadalmina Baja on the beachfront and Guadalmina Alta on the mountainside. Although the region is known for its low density of large, luxurious homes with views of the Mediterranean Sea and wide, lush fairways, it also has a variety of developments comprising charming townhouses with traditional Andalusian architecture, as well as white modernist architecture.

Famed for its high-end Spanish clientele, the Guadalmina Golf Club has one of the oldest courses in Spain. Guadalmina boasts an impressive choice of top-notch traditional restaurants, organic eateries, gourmet shops and spa facilities.

This magnificent estate is in a class of its own, set in a vast plot extending to 24,000 m2. Guests will be instantly awestruck as they enter the majestic entrance hall, which leads to a spacious dining room and a superbly designed living room. Elegant sliding doors open directly to a media room and cosy lounge. The sleek state-of-the-art kitchen has a marble-topped central island and an additional casual seating area. A large office completes the ground floor.

There are four bedrooms on the upper floor, each with a terrace. The sumptuous master bedroom has a lounge area, dressing room and a spacious ensuite bathroom. A fully furnished sun terrace on the top floor is a perfect spot to take in the stunning sea views. On the basement level, there is a fifth bedroom as well as a children's playroom with a large sofa bed. This part of the residence also houses the live-in staff quarters, comprising two bedrooms, a bathroom, and a kitchen, as well as storage rooms and a laundry room. Additionally, there is a superb home cinema room, and a magnificent spa with a steam room, gym, relaxation area, and massage room - without a doubt the property's crowning glory. There is also a garage with space for four cars.

The gorgeous extensive gardens are the ultimate in landscape architecture, and the cherry on the top is the huge pool and pavilion complete with bar.
