DESCRIPTION

This impressive villa is situated directly on the coast in the bay of Gruz, some 2 kilometers away from the Old Town of Dubrovnik. Rose features 12 spacious double rooms and one suite. Each room is a work of art and highlighting a special time and place in history. All of the 13 rooms have been decorated and furnished individually to make each stay nothing short of unique. They are equipped with a smart room system with air-conditioning, SAT & PAY TV, mini bar, safe box and free Wi-Fi making sure that your stay is comfortable in every way. Every single furniture piece in the villa is handmade in order to achieve the true feeling of the highest class characteristic for old Dubrovnik.

It was originally constructed in 1573 by Dubrovnik's noble family Zamanja. Although designed as a place for peace and relaxation, history had other plans and the villa passed through various violent ages. Villa Rose is now fully renovated to match the highest of standards and has regained its original beauty and function as a summer residence for guests with high demands in privacy and culture combined with modern facilities.

This beautiful castle is also available for exclusive rental for small intimate weddings, corporate seminars, large family reunions and gatherings, celebrations, or any other special event.
