This luxury Skiathos villa with infinity pool offers a peaceful and elegant stay for up to eight guests. Villa Royal Tang combines refined interiors, spacious terraces, sea views, and a calm natural setting. It sits within a 1,000 sq. m. property surrounded by the protected Mandraki natural reserve.

The villa has four beautifully appointed bedrooms. Each bedroom has its own private en-suite bathroom, which gives every guest comfort and privacy. In addition, the master bedrooms on each floor connect to junior bedrooms through interconnecting doors. This layout works especially well for families.

This luxury Skiathos villa with infinity pool also offers a strong indoor-outdoor flow. Large sliding glass doors open the living spaces to covered terraces. As a result, guests can enjoy fresh pine-scented air, natural light, and panoramic Aegean Sea views throughout their stay.

Four En-Suite Bedrooms

The villa accommodates up to eight guests in comfort. It includes four bedrooms, and each bedroom has a private en-suite bathroom.

The master bedrooms on each floor connect to junior bedrooms. Therefore, families can enjoy a practical layout while still keeping privacy.

The ground-floor bedroom also includes a private dressing room. A dedicated laundry room adds extra convenience and makes the villa feel like a true home away from home.

Infinity Pool and Outdoor Terraces

The outdoor areas create a private setting for relaxation and entertaining. Spacious terraces offer several seating and lounging areas.

The 9-metre infinity pool forms the centrepiece of the outdoor space. It appears to merge with the sea and sky, which creates a striking setting for sunny days.

Guests can relax on comfortable sunbeds and enjoy panoramic views of the Aegean Sea. Moreover, the surrounding Mandraki natural reserve adds a lush and peaceful backdrop.
