Luxury Villa Living

Villa Santara

Villa Santara spreads its 424 m² living area between the ondulation infinity pool, the sauna, the shallow reflecting pool for your "feet in the water" dining experience and the entrance with water features, fountains and a wooden bridge. From the very generously sized living area, a succession of covered terraces and patios lead to the 4 suites (all with en-suite bathroom) and the guest cottage with an additional 3 bedrooms.
