### DESCRIPTION

During your stay in our villas, you will feel one with the serene, surrounding nature and discover new details every day. From our architecturally meticulous interiors with 5-star equipment, the unique collection of paintings by the award-winning artist Kostas Tsolis (works you can buy) to our 150 m2 outdoor swimming pool, the 140 olive trees of the surrounding area, and the professional tennis court built to ATP specifications, Villa Sciurini has something for everyone.

At Villa Sciurini, Mother Nature and authenticity meet minimal aesthetics and technology and will take your hospitality experience to a brand new level. We are looking forward to seeing you!

Imagine services and treatment, similar to those of a 5-star hotel, but with the exclusivity, you have always desired. This is exactly what you and your guests will discover at Villa Sciurini in our 2 identical villas, which are unlike anything you've ever seen.

Nestled in the peaceful surroundings of a 7.500 m2 Cretan landscape with panoramic view towards the sea and the Psiloritis mountain, the olies Estate includes a 150 m2 swimming pool and a professional tennis court. The two properties, which can be rented as one sleeping up to 14 guests, are the perfect choice for family gatherings or large group get-togethers.

Our location is called Gournes Temenos and it lies just 15 minutes away from the airport and the city of Heraklion.
