DESCRIPTION

Villa Semarapura – Oceanfront Luxury Retreat in Bali

The Property

Villa Semarapura is an extraordinary oceanfront sanctuary located beside the black sand shores of Cemagi Beach in Bali. Set within 5,000 square metres of lush tropical gardens, this exceptional estate enjoys uninterrupted views of the Indian Ocean and the revered sea temple of Pura Gede Luhur Batungaus, whose striking silhouette creates a dramatic backdrop to Bali's famous sunsets.

Originally conceived as a spacious family residence inspired by the traditional Balinese compound style, the villa has since undergone an extensive transformation, combining contemporary luxury with timeless island architecture. The result is a refined and elegant retreat offering generous social spaces, private sanctuaries, and an exceptional level of personalised service.

With its expansive grounds, oceanfront setting, and dedicated professional staff, Villa Semarapura provides an unforgettable escape for families, groups of friends, celebrations, and special occasions in one of Bali's most picturesque coastal locations.

Interiors

The villa's interiors seamlessly blend traditional Balinese craftsmanship with sophisticated contemporary design. Spacious pavilions and open-air living areas create a natural flow between indoor and outdoor spaces, allowing guests to fully embrace the tropical surroundings while enjoying modern comforts and elegant furnishings.

Multiple living and entertaining areas have been thoughtfully designed to accommodate both social gatherings and private moments of relaxation. The main living pavilion opens onto sweeping ocean views, creating a spectacular setting for leisurely breakfasts, afternoon cocktails, or evening conversations as the sun sets over the horizon.

The air-conditioned dining pavilion offers a comfortable and refined environment for enjoying meals prepared by the villa's private chef, while additional lounge areas provide peaceful retreats throughout the estate. Each space has been carefully curated to reflect the villa's harmonious balance between authentic Balinese character and contemporary luxury.

The accommodation offers privacy and tranquillity for every guest, with beautifully appointed suites designed as individual sanctuaries. The impressive master suite features a private jacuzzi, creating a luxurious space to unwind after a day of exploring the island or relaxing by the sea.

Exteriors

The outdoor spaces at Villa Semarapura are truly spectacular. Expansive tropical gardens surround the property, creating a sense of seclusion while framing magnificent views of the Indian Ocean.

At the heart of the estate lies a stunning 20-metre swimming pool, accompanied by a poolside lounge and bar where guests can enjoy refreshing drinks while soaking up the tropical sunshine. The surrounding terraces provide ample space for relaxation, social gatherings, and outdoor dining.

A traditional balé offers one of the villa's most enchanting viewpoints, providing the ideal setting for sunset cocktails while overlooking the ocean and nearby temple. The peaceful black sand beach is just steps away, inviting guests to enjoy morning walks, quiet moments by the water, or simply admire the changing colours of the sea throughout the day.

Evenings at Villa Semarapura are particularly memorable, with outdoor seafood barbecues, ocean breezes, and the sounds of traditional Balinese music creating a magical atmosphere beneath the stars.
