Luxury Villa Living

DESCRIPTION

This lavish villa donates marble finishes seamlessly throughout, with marble parquet flooring, various pieces of art and a floodlit fountain outside, in a sophisticated Art Deco opulence.

At Villa Sevilla, the views over the surrounding landscape extend to the sea, all the way to Formentera, as well as Dalt Vila in Ibiza's Old Town. 360 degree panoramic views are captured from the entire garden and sizeable terraces.

The delicate garden is superbly maintained. A large inviting pool fills the central space perfectly on the upper terrace, introducing further outdoor areas for dining and relaxing, including an outdoor kitchen with gas hob on the lower terrace.

At night the atmospheric external LED lighting immerses the magical view of the Dalt Vila and the magnificent terrace in all its glory.

The deluxe interior is augmented into the luxury living space, fully equipped kitchen and Miami themed breakfast dining area with a separate elegant dining area for evening soirees.

The master bedroom decadently furnished in the ultimate art decor effects, is substantial in size and is immersed in natural light. A stylish super-king size bed resides with separate sofa and seating area, TV, large spacious wardrobes, a huge en-suite with his and hers sinks, large walk in shower and bath with a beautiful country view.

A further four bedrooms equally indulgent in decor and furnishings complete the interior bedroom make up.

In addition to the main house are 2 apartments, each with 80sqm of space, king size beds, kitchen, living space and en-suite bathrooms.
