DESCRIPTION

Here, you're just a few minutes from the golden sands and clear turquoise waters of Talamanca Beach and the port of Marina Botafoch. But from this vantage point in the hills above the bay, you can enjoy the magnificent views in secluded peace.

From the house, a wide sweep of green lawn leads to the infinity pool and terrace overlooking the bay and Ibiza Town. Take a swim on a sunny day and the view is marvellous. Beside the pool, a sheltered pergola houses an al-fresco dining space, seating twelve, with summer kitchen facilities. Sit out here at dusk and the lights of Ibiza Town twinkle tantalisingly in the distance.

By day, this is a lovely spot to enjoy a summer lunch. There are also further terrace areas beside the main house. Each of the ground floor bedrooms opens onto the terrace which wraps round the house. To the front, overlooking the lawn and pool, there's a shaded terrace with lounge seating.

A series of wide, sliding glass doors open the terrace space to the spacious interiors. The main living space features a double-height ceiling, creating a greater sense of light and space. Sofa seating clusters around a large winter fireplace, and there are several places to dine inside, including a small breakfast table in the glossy, monochrome kitchen.

In the gardens, you will also find a large gymnasium, with huge picture windows overlooking the surrounding countryside. As well as varied exercise equipment, there's also a ping-pong table and lounge seating. Beyond this, there's also a large jacuzzi and sauna for your post-workout cool down.

Villa Shami is a peaceful and well-appointed holiday home with wonderful amenities, just a few minutes from the delights of Ibiza Town.
