### DESCRIPTION

Villa Simmons is a stunning example of modern Cycladic architecture, where clean, curved white walls and fine wood accents combine seamlessly to create a serene yet luxurious environment. The villa's outdoor pool sparkles under the sun and glows beautifully after dusk, creating a magical atmosphere for relaxation or evening gatherings. Just steps away, an oversized indoor Jacuzzi offers equally breathtaking views, allowing guests to enjoy the soothing power of water in total privacy.

Inside, the villa features two elegant guest bedrooms, each with its own en-suite bathroom, designed with comfort and style in mind. Soft, ambient LED lighting is cleverly integrated throughout the villa, hidden under beds and in the bright, luxurious bathrooms, adding a contemporary, almost dreamlike touch to the interiors.

The outdoor areas are equally impressive. A large, fully equipped BBQ and dining area sit on the pool deck, ideal for entertaining or enjoying alfresco meals with friends and family. The villa can also accommodate a private chef, offering guests the ultimate in personalized Mediterranean dining experiences.

Every detail of Villa Simmons is thoughtfully designed to offer a luxurious, relaxed lifestyle: sun loungers around the pool, an outdoor kitchen, a dining area under a pergola, and private parking ensure comfort and convenience. This villa perfectly captures the essence of Mykonian living, inviting guests to unwind, indulge, and experience a truly memorable holiday.
