DESCRIPTION

Open-Plan Living, Dining and Modern Kitchen

Inside, the estate features a bright open-plan living and dining area. The fully equipped kitchen includes everything needed for effortless stays. It also features a breakfast bar with seating, which is perfect for casual meals. The living room is tastefully furnished with comfortable sofas, a fireplace, and a flat-screen TV. As a result, it works perfectly for relaxed evenings at home.

Home Study for Work and Quiet Time

In addition to the main living spaces, the villa includes a dedicated home study. It comes with a desk and chair, making it ideal for remote work, planning days out, or taking calls in peace. This extra space is also a great feature for longer stays.

Five Comfortable Bedrooms and Five Bathrooms

This Beverly Hills estate includes five well-appointed bedrooms and five bathrooms. The layout is ideal for groups, since it offers a mix of king and queen beds. The bedroom setup includes three king-size bedrooms and two queen-size bedrooms. Every bedroom also includes a flat-screen TV, so guests can unwind privately at the end of the day.

Private Pool, Hot Tub and Fire-Pit Lounge Area

Outside, the estate offers a beautiful private pool and a hot tub (pool heat required). Sunloungers provide space to relax in the California sunshine. The landscaped garden adds a peaceful feel throughout the property. In the evenings, the private patio becomes the perfect setting for outdoor living. It includes an alfresco dining area, a lounge space, and a fire-pit for late-night conversation.

Comforts, Entertainment and Essentials

The home includes air conditioning throughout, complimentary WiFi, and private parking. Flat-screen TVs are available in the living area and all bedrooms. Bedding and towels are also provided, so everything is ready for a smooth and comfortable arrival.
