### DESCRIPTION

A sense of exclusivity enwraps guests the moment they enter the villa Squid on the first floor, by its location and pure/sleek design from the hand of the award-winning architects' office 3H Architects.

Situated in an ancient olive orchard, surrounded by a protected nature reserve, and in front of the sea, Squid offers the perfect villa to relax.

While strolling on the widely open terrace, including a hammock and lounge sunbed with various outdoor lounge options, you will be caught by the magnificent sea view and view of the mainland of Pillion. On your right, you have the fully equipped kitchen with cosy seating, while on the left, the living area with home cinema and fireplace is waiting for you.

In the middle of the terrace, you have wide open stairs leading to the sleeping area on the ground floor. While entering the ground floor, you have access to 2 master bedrooms with ensuite bathrooms and 2 junior bedrooms with each their own private bathroom. All of them can make use of the ground-floor lounge terraces.

After discovering the villa, you should definitely plan some relaxing time in the unique L-shaped infinity pool with a shallow chill zone. Time for some beach?

Put your flip-flops on and off you go to Ligaries beach for a swim in the sea or some sit-back time at the beach. Or just head over to Kechria Beach for a unique beach setting with grass.
