DESCRIPTION

Deep in Ibiza's green heartland, between the foodie paradise of Santa Gertrudis and the family-friendly beach resort of Santa Eularia, you can enjoy a real sense of escape here.

Villa Starc sits in a 20,000m2 plot of serene olive groves and tall, fragrant pines. Close to the house, a wide pool deck offers a myriad of places to relax and admire the peaceful countryside views. The sparkling blue waters of the swimming pool glitter temptingly in the sunshine.

Pull up a sun lounger on the wide terrace to bask in the warm Ibizan sun. Or relax in the sophisticated lounge seating under the shady terrace. Here, you'll also find an al-fresco dining table, seating fourteen, and an outdoor bar area, all served by the full-house sound system.

Wide sliding glass doors connect the inside and outside spaces and flood the interior with bright Ibizan sunlight. Cool white walls, pale wood floors and understated contemporary furniture ensure the serene ambiance continues throughout the villa's interior.

A spacious lounge with sofa seating and LCD satellite TV is open plan to the light-filled formal dining space, seating fourteen. A sleek kitchen in cool grey, and fully-equipped with high-end appliances, opens onto this space. There is also a second sleek kitchen with inside dining space; delivering a bit of extra space and flexibility for your guests.

The spacious, light-filled rooms create a blissful sense of light and space throughout the villa, and this continues throughout the bedrooms. With crisp, white lines and pale, neutral tones, the bedrooms enjoy either wonderful garden views or added privacy via the stone courtyard walls, plus luxurious en-suite bathrooms.

With wonderful gardens, extensive terrace space, and spacious light-filled interiors, Villa Abutlon is a wonderful Ibizan holiday home - whether you are seeking a peaceful escape for your family or a stunning villa where you can entertain your guests on the island.
