DESCRIPTION

The villa is built with emphasis on space and comfort, featuring a total of 8 bedrooms located in the main house and in two separate guest quarters. Living spaces are voluminous and conceived with large window openings filling the interiors with natural light as well as with stunning sea views!

Modern elegance expressed through refined and expensive taste would be the most appropriate depiction of its style as it combines Mykonos white with fabulous quality, showcased through premium wooden floors and magnificent closets, comfortable white couches and handpicked furniture, or the fluffy white beds with their beautiful bathrooms and finally, a plethora of intriguing pieces of art that highlight the fine ambiance.

A series of extra amenities, like the fabulous home cinema with amphitheatrically inclined couch and an over the top gym at garden level, further enhance the living experience on the premises.

As is usually the case, however, the outdoor sitting and dining areas, laid around the large pool and embracing the Aegean, are the ones getting all the attention. Ideal for those who want to get the most out of Mykonos in true luxury and comfort!
