### DESCRIPTION

Vista Symonds is a versatile modern villa which features both indoor and outdoor pools.

By night, the lights flood across the spacious pool deck and illuminate the 17m x 5m pool, covered outdoor dining area and grassy terrace. By day, you can see the blue waters of the Mediterranean on the horizon, offering tantalising reminders of how close you are here to the famous beach bars of Ibiza's south coast.

Stylish modern interiors of glossy, polished finishes and contemporary design classics deliver every modern convenience. Lounge by the fire in the living room or pull up a barstool in the bright kitchen and enjoy the light that floods in through the walls of glass. These sliding doors provide access straight onto the terrace where you can lounge poolside if you prefer.

Relax in the giant whirlpool bathtub of the master suite to enjoy marvellous views to the sea. Or head to the 12m x 2m indoor pool, where you'll find a treatment and chill-out zone.  
A contemporary choice in an ever-popular location.
