DESCRIPTION

Entering on the ground floor, you will discover a self-contained flat that can accommodate up to 4 guests, ideal for groups or families. This space features two double bedrooms, each with their own private bathroom, a spacious living room with Smart TV, a fully equipped kitchen and a dining room, offering everything you need for a comfortable and private stay.

On this same level, you will find another fully equipped flat and an additional double bedroom with private bathroom, ensuring that all guests enjoy privacy and comfort.

For those who don't want to give up their exercise routine, the villa has a fully equipped gym, perfect for keeping fit during your holiday. In addition, there is a work or play area, equipped with a PlayStation for the entertainment of the whole family.

The villa's private garage can accommodate up to 3 vehicles, providing security and convenience during your stay.

On the main floor, you will be greeted by a large open-plan space that includes a modern and fully equipped kitchen, perfect for those who love to cook. With high-end appliances and a functional design, this space is ideal for preparing delicious meals during your stay.

The living room, which features an impressive 85-inch TV, is the perfect place to relax, while the spacious dining room is designed for sharing memorable meals. From here, you can access directly to the outside, where you will find a chill out area designed for total relaxation, a barbecue for alfresco dining, and a large heated swimming pool surrounded by a solarium where you can soak up the sun and enjoy the Tenerife climate. This floor also includes a double bedroom with en-suite bathroom, another double bedroom and an additional full bathroom.

The upper floor houses two master suites, each with its own private terrace, ideal for enjoying the views and fresh air. Both suites are equipped with full bathrooms including bath and shower, providing an oasis of luxury and comfort.
