DESCRIPTION

Vila Trapani is located in the Alcamo area and is surrounded by a vineyard where Insolia and Catarratto wines are produced. It is possible to visit the cellars and follow the "wine roads" itinerary. For sea lovers, just twenty kilometres away, you can reach the Natural Reserve of the Zingaro and the fantastic beaches of San Vito Lo Capo. Furthermore, it is possible to visit the medieval village of Erice and the salt pans of Trapani.

Outside the structure, there is a large garden with native vegetation in which there is a swimming pool obtained from an ancient basin. The outdoor terrace is equipped with armchairs, sofas, and a ten-person dining table.

Inside you will find a kitchen, a small toilet, a living room and a dining room on the ground floor. Going upstairs, you will access the sleeping area consisting of two double bedrooms, two twin bedrooms, two singles with a total of 4 bathrooms. There are also two other bedrooms, one with three single beds and one double with a standard double bed. Also on the same floor, there are a living room, a dining room and a large terrace. Going up a few steps, you enter the tower, where a single and a double bedroom are placed. All bedrooms are air-conditioned.
