DESCRIPTION

The village is located some 25 minutes by car from the center of Dubrovnik, so you may head out to explore the Old Town and the area whenever you wish. Dubbed as the finest property of its kind in the Dubrovnik region, developed with no expense spared, this historical residence from the 16th century is a warm, functional, and relaxing holiday mansion that exists in harmony with its timeless design. It guarantees absolute tranquillity at just a few metres from the extraordinary Adriatic sea.

Furnished in modern style, each of the 6 rooms and suites are decorated with great attention to details, using only superior quality furniture and fabrics. Two bedrooms with bathrooms are located on the ground floor, while four two-level suites are found on the first floor of the mansion. Each suite is complete with a king-size bed in the upper gallery, modern bathroom with walk-in shower, SAT TV, and safe. The outdoor area, a large private courtyard, is a perfect entertaining spot with BOSE and SONOS indoor/outdoor sound system deployed throughout the entire mansion.
