DESCRIPTION

Villa Turaco is a modern villa of 218 sq metres with a thatched roof and a chalet-style interior and enjoys a sunny spot near the region's best golden sandy beaches. The open living space with polished cement floors and wood-paneled walls makes for a cozy setting, whilst floor-to-ceiling windows open onto a decked terrace, swimming pool, and jacuzzi.

There are sofa beds in the living areas of both the main house and the guest cabana allowing for extra guests on request, but this villa is ideally suited for up to 6 adults and 2 children.

Villa Turaco sits atop sand dunes planted indigenous shrubs and trees. Decked pathways (floodlit at night) take you around the grounds of approximately 2,000 sq metres, which also include an outdoor sand volleyball court for guests to enjoy.

Pego and Carvalhal beaches nearby each host's great beach bars/restaurants and surfing amenities. Carvalhal village has some simple eateries and bars, as well as shops selling locally caught fish and grown vegetables. The area can also be explored by bike and you can go horse riding at "Cavalos na Areia". Comporta village with its hippy-chic shops and a wide range of restaurants is located 11 kms drive away.
