DESCRIPTION

Villa Turiya – Luxury Six-Bedroom Villa in Canggu, Bali

The Property

Villa Turiya is a stunning six-bedroom private villa located in the vibrant heart of Canggu, Bali. Just a short walk from the beach, this luxurious retreat combines contemporary design, exceptional comfort, and a peaceful atmosphere to create an unforgettable island escape.

Inspired by the Hindu philosophy of *Turiya*, meaning "the fourth state of consciousness," the villa encourages guests to slow down, reconnect, and embrace a sense of balance. Every space has been carefully designed to create harmony between modern luxury and Bali's natural beauty.

Perfect for families, groups of friends, wellness retreats, or special celebrations, Villa Turiya offers generous living spaces, premium amenities, and an atmosphere of complete relaxation.

Interiors

The interiors of Villa Turiya reflect the colours and textures of the island. Warm earthy tones combine with shades of olive and deep green, creating a calm and sophisticated setting throughout the property.

Natural materials such as wood, terrazzo, velvet, brushed brass, and lime-washed walls add character and warmth to every room. At the same time, contemporary furnishings and carefully selected finishes create a refined and elegant atmosphere.

The villa offers several inviting living areas designed for both relaxation and socialising. Sunken lounges indoors provide comfortable spaces for gathering with family and friends, while a private cinema room creates the perfect setting for movie nights and entertainment.

A spacious dining area features a large table that comfortably seats twelve guests. This space connects seamlessly with the villa's living areas, allowing everyone to come together and enjoy memorable meals and celebrations.

Each of the six bedroom suites serves as a private sanctuary. Premium mattresses, luxurious 500-thread-count linens, blackout curtains, and soft ambient lighting ensure restful nights. Polished cement floors with brass details add a distinctive touch of style and craftsmanship.

The en-suite bathrooms continue the villa's elegant design. Each bathroom features custom marble double vanities, rainfall showers, freestanding bathtubs, and high-quality brushed

Exteriors

Outdoor living plays a central role at Villa Turiya. The impressive 18.5-metre lap pool stretches through the heart of the property and creates a beautiful focal point for relaxation and leisure.

Guests can spend sunny afternoons beside the pool, enjoy refreshments at the pool bar, or unwind in the outdoor sunken lounge areas. Comfortable seating areas throughout the grounds provide peaceful spaces for reading, conversation, or simply enjoying the tropical surroundings.

The rooftop level offers another exceptional entertainment space. Here, guests will find an outdoor kitchen, a pool table, lounge areas, and a dedicated yoga shala. From this elevated position, visitors can enjoy views towards the Indian Ocean and the iconic Vishnu Statue in Uluwatu.

Whether enjoying a morning yoga session, an afternoon by the pool, or an evening gathering under the stars, the outdoor spaces provide countless opportunities to relax and connect.
