DESCRIPTION

The grand double-height reception area welcomes you into a realm of modern elegance, where natural light floods the open-concept living, dining, and kitchen areas. Embrace the airy sophistication of the neutral tones and plush furnishings, or relax on the oversized sectional sofa while enjoying serene views of the private pool area through expansive patio doors. The fully equipped kitchen is a culinary delight, boasting a large island, ample prep space, and a walk-in pantry, perfect for budding chefs and family gatherings alike. Each bedroom is designed to provide ultimate comfort, with king and queen-sized beds, ensuite bathrooms, and luxurious touches. A second-floor master suite features a private balcony overlooking the pool, while a dedicated theater room promises cinematic adventures with its tiered seating and advanced surround sound system.

Unwind and entertain in grand style outdoors, where the magic continues. A sun-drenched deck enveloping the sparkling private pool and rejuvenating hot tub is just the beginning.
