DESCRIPTION

Whether enjoying your alone-time in the seclusion of your serene bedroom or the company of friends and family in one of the elegant indoor or outdoor lounging areas, this unique property will spoil you for choice and become your very own window to a world of endless summer bliss.

The property combines the luxury accommodation feel of an exceptional hotel with the cosy atmosphere of an exclusive private home. Its spacious interiors feature lavish materials with fine touches of wood and marble against a soothing white background. Every detail is a harmonious fusion of ultimate comfort and local flair, while the carefully chosen art framing the spaces is a fine selection of some of Greece's internationally acclaimed painters and sculptors. Though the large openings let you take the scenery in from every corner of the interior, the estate's crown jewel is the outdoor space offering magnificent views to the Aegean and the distinct Cycladic landscape. Whether you are enjoying a barbeque al fresco, a refreshing dip in the infinity pool or a cocktail at one of the various shaded lounging spaces, you can always take a moment to close your eyes and breathe in the invigorating atmosphere of heavenly island living.
