### DESCRIPTION

The beautiful swimming pool and its pool house occupy a *restanque* – a dry stone wall typical of Provence – below, also with a magnificent view of the sea. The villa is entirely on one level and offers magnificent volumes with a large central living room, a dining room and a separate kitchen. At mealtimes, the quiet atmosphere of the open patio, which serves as a summer dining room, can be enjoyed. Opposite the master suite, one of the six bedrooms offers a separate access point near the entrance of the villa, extremely practical for accommodating a teenager or the children's nanny.
