Villa Celeste is fully staffed with a housekeeper available six days a week and a houseman to attend to your needs, offering personalized services with efficiency and discretion allowing you to focus solely on relaxation and enjoyment.

Upon entering, you are immediately greeted by an unobstructed, sweeping view of the Pacific Ocean. The expansive living areas feature floor-to-ceiling windows that flood the space with natural light, creating a harmonious connection between indoor and outdoor living.

At the heart of the home is a chef's kitchen and a gorgeous walnut dining table, offering the perfect space for gatherings with family and friends. On the main level, adjacent to the kitchen, is the first media room equipped with blackout curtains for a perfect cinematic experience. Outdoors, the stunning infinity pool, featuring shimmering dolphin tiles, offers breathtaking ocean views. With just a push of a button, an automated shade provides cooling comfort as you watch the kids play in the wading pool or jacuzzi. The luxurious Brown Jordan Lounge chairs offer a stylish spot to bask in the sun, while the fire pit creates a perfect setting for unforgettable evenings under the stars.

Villa Celeste offers endless spaces for entertainment and relaxation. A staircase leads down from the main pool deck to a private covered area with hammocks, seating for 10, a ping pong table, a second media room, a gym, full bath and shower, a refrigerator, and a mini-kitchen. For a unique experience, a spiral staircase connects this space, creating the perfect retreat from the main house, with gentle breezes and spectacular panoramic views.

This luxurious villa features ten exquisitely appointed bedrooms, including two master suites, each offering privacy, comfort, and stunning views. Every bedroom boasts its own private balcony and every room is situated to see BOTH the sunrise and sunset each day. The property also includes 11 full bathrooms and one half-bath, ensuring convenience for all guests.

For groups traveling with staff, such as a pilot or personal assistant, Villa Celeste features two casitas, offering independent accommodations with full amenities, providing comfort and convenience. Each casita also offers outstanding views, verandas, and a sense of privacy while remaining close to the main house.
