### DESCRIPTION

#### MAIN HOUSE

The open kitchen at Villa Wailu has extensive counter space, two sinks, high-quality stainless steel appliances, and bar seating, making it easy to enjoy meals at home. A dining space with a gas fireplace and a wall of custom pocket doors flows out to an open-air dining area, or into a comfortable living space with plenty of seating and a sizable television. Downstairs, another common area provides an additional sectional sofa and television, as well as a ping pong table. Amenities such as wireless internet, cable, a DVD player and DVD library, a stereo, a washer and dryer, and a dedicated kids' playroom ensure total guest comfort throughout your stay.

Villa Wailu ocean-view primary suite boasts a California king Tempur-Pedic bed, private lanai, fireplace, 55-inch television, huge walk-in closet, and en suite bath with jetted tub, separate shower, and dual sinks. An ocean-view junior primary has a queen-size Tempur-Pedic bed and its own lanai, 55-inch television, and en suite bath with jetted tub and shower. The third and fourth bedrooms, which share a Jack-and-Jill bathroom, each have a double bed, lanai with mountain views, television, and desk. The fifth bedroom has a queen-size sleeper sofa and mountain views, but also makes a perfect media room, thanks to its 75-inch television.

Step outdoors at Villa Wailu to find your sparkling pool with a safety fence, barbecue grill, and children's playhouse, slide, and swings. Direct beach access leads to the golden sand and brilliant blues of the ocean just beyond, where a protective reef makes for excellent swimming and snorkeling.

#### GUEST COTTAGE

This one-bedroom, one-bathroom home features an outdoor courtyard, outdoor shower, and outdoor seating enough for 5.

Inside the French doors, you walk into a full kitchen with an apartment-sized stove and refrigerator, custom cabinetry, and stone countertops. Ahead you will find a living area with a sofa that can pull into a queen sleeper and a custom twin-size trundle bed for extra guests. Going up the custom spiral staircase you come to the main bedroom loft featuring a desk area, tv, and California king sized bed. Stay cool with the split AC unit or many windows that allow the ocean breezes to flow through. Great for a small family or couple looking for a getaway.

#### LOCATION
