DESCRIPTION

Everything is delightfully proportioned in a terrace-like structure at the villa. Starting from the lower level is your own private infinity pool featuring a swim counter-current jet. It's almost like you are taking a dip in a beautiful pool high up in the mountains.

The pool (approx. 8m x 4m) is surrounded by wooden decking with plenty of sunbeds for relaxing on after a refreshing swim.

All open-plan with large windows allowing lots of light. The white kitchen, in addition to the latest designer appliances, features a breakfast bar. The dining area and lounge are spacious and stylish. There is a large flat-screen TV and a WiFi connection to enable you to keep in touch with family and friends.

Two of the bedrooms are arranged as twins, there is a double bedroom and, a master suite with a double aspect balcony giving you a 180 deg. The double bedroom and one of the twin bedrooms also have access to balconies. An entrancing glass-sided staircase leads you upstairs as well as down to a lower pool deck. On the upper floor lie the four bedrooms, all with en suite bathrooms, walk-in showers, generous wardrobe space and electric blackout curtains.

A chill-out area and solarium add to the property's appeal.
