DESCRIPTION

Villa Wiesz is a fully air conditioned genuine provencal farmhouse which has been renovated to the highest standard.

A dream come true for children: playroom, multi sport field for soccer / volley ball / basket ball / tennis court. Triple swing set and climbing frame, trampoline, and ping pong table.

The property is also a dream for adults with heated pool, Hamman and Jacuzzi for 6 people, Bang and Olufsen sound system inside and outside the house, gym room, bar, pool table, and fantastic indoor kitchen.

As shown in the photo gallery, the main renovated house is beautifully decorated with 7 bedrooms and 5 bathrooms. The kitchen is state of the art and the masterpiece of the house with 3 stoves, 2 dishwashers, and fantastic equipment throughout.

Beside the main house sits La Grange - a renovated barn with large open spaces, flooded with light, and a haven for those looking for privacy or intimacy, teenagers, older guests... with 2 bedrooms and 1 bathroom on the first floor.

The outside of the house is even more impressive, with a large heated pool 13m x 7m, and a welcoming pool house to host long lasting outdoor dinners in the summer. A full set of games for children is available.

Caretakers for the property live in a separated house 100m from the guest area, and are completely private and discreet.
