### DESCRIPTION

The exteriors embrace Mykonian architecture, with pristine white cubes laid out in levels to take advantage of the reclining landscape, creating two different areas for outdoor entertaining. Each area has its own swimming pool with glistening waters, surrounded by stylish and comfy sun loungers. The spacious pergola covered outdoor dining area is ideal for hosting summer dinners, and offers sweeping views of buzzing Mykonos Town and its twinkling lights.

Modern and minimal, the interior design uses clean lines and a uniform color scheme to create a light and airy atmosphere. Contemporary elements are used to uplift the sophisticated simplicity of Cycladic design. Natural materials connect the interiors to their native surroundings and create a comforting atmosphere, enhanced by plush fabrics and cozy furnishings.

Positioned in one of the most sought-after locations on the island, a mere 4 km from the heart of Mykonos Town, where there is an endless list of things to do, like discover the windmills, have a drink in Little Venice, shop at the chic boutiques, or enjoy delicious meals at one of the many restaurants. If you feel like exploring the beaches, Agios Stefanos, located 3 km from the property, is a long stretch of sand with crystal clear waters and marvelous views of the surrounding islands. An unforgettable hospitality experience awaits you at this luxury villa in Mykonos – Queen of the Greek isles!
