DESCRIPTION

The heated swimming pool of 24m2 with spacious sun terraces forms the heart of Villa Yadav, which is surrounded by a flowered garden full of palm and fruit trees. There are several partly covered parking spaces and 2 private entrance gates.

There are several spacious terraces on the property, including the upper sun terrace with sea views, featuring a dining table and chairs, an outdoor kitchen including refrigerator, plus a billiards table and table football game. The lower terrace features a huge barbecue, fireplace, a further outdoor kitchen (including fridge and freezer) and a large dining table and chairs, perfect for entertaining family and friends.

Inside this pretty villa, a bright, airy interior offers respite from the midday sun. The open plan lounge, dining room and stylish kitchen create a space perfect for relaxing. The generous creamy sofa seating and a fireplace create a cosy living space, while just beyond the kitchen is another outdoor terrace area - a covered winter terrace overlooking the pool and gardens featuring a dining table, TV and fan. This area can be closed by means of shutters.

As you would imagine with a house of this standard, it is fully equipped with air conditioning throughout, central heating and WiFi.
