DESCRIPTION

The exteriors are characteristic of Cycladic architecture with cubic shapes, whitewashed walls, and local stone, combined with elements of modern design. Outdoors, there are multiple sitting and lounge areas where you can soak up the glorious Greek sun. If it gets too hot, take a refreshing dip in the infinity pool, which seamlessly blends with the sapphire waters of the sea. Relax in the jacuzzi and let yourself pause as the hydromassage jets revive your body and mind. When the sun sets, head to the open-air dining area and enjoy a candlelit dinner under the starry Mykonian sky.

Inside, the decor marries sleek modernity and comforting charm to create an aura of sophisticated simplicity. Infused with a lofty look and industrial elements, the interior design features black details, metal finishes, and coloured wood against a stark white backdrop, creating the perfect play of contrasts. All 6 bedrooms are specially decorated to promote both relaxation and refined luxury, featuring ensuite bathrooms. Every room is equipped with state-of-the-art appliances to ensure a comfortable stay.

The property's convenient location offers guests a plethora of benefits including tranquil privacy, mesmerising vistas, and idyllic surroundings. The secluded beach of Glyfadi is only 170m from the property, while the trendy coastal area of Ornos sits at 2,5 km. Of course, you can't miss out on Mykonos Town, the island's bustling capital, located 5 km away. This luxury villa in Mykonos combines everything needed for an exciting yet restful Greek island holiday!
