DESCRIPTION

Offering an unrivalled 360-degree view of the typical Tuscan countryside, this five-bedroom villa is a 20th-century ruin that was meticulously and masterfully restored to offer luxury and comfort.

A landscaped walk path leads to the one-hectare property where Villa Sommer is set, surrounded by rolling hills and rows of cypress trees. This family-friendly property is composed of the main villa featuring four bedrooms, and the annex featuring one bedroom, each with an en suite bathroom. The main villa also boasts ample open space with a living area where natural light penetrates through the large floor-to-ceiling windows and a fully-equipped kitchen where to enjoy delicious meals, including pizza cooked in the traditional wood oven.

Extensive outdoor space allows opportunities to relax in the two lounge areas or by the infinity-edge swimming pool that seamlessly blends into the idyllic Tuscan landscape.

Villa Sommer is only a short drive from some of the most renowned areas of Tuscany, including Siena, Montalcino, Montepulciano, Pienza, and Cortona, making this luxury villa even more appealing.
