DESCRIPTION

The villa praises traditional architecture, incorporating a mixture of stone and concrete, and is tastefully decorated with warm colors. At the same time, it invites guests to unwind in the multiple lounge areas and the BBQ/dining area of the expansive terrace and gives the opportunity to the most athletic ones to remain active at the outdoor gym area, while gazing at the crystal-clear Aegean waters.

The beach is only 1 minute walk time away thanks to the direct beach access that the property offers. The exterior comprises an outdoor lounge and a dining area, a pool with a direct sea view, parking space for several cars, and a pathway that leads straight to the water, offering direct beach access. The interior is divided into two levels and combines tasteful decor with traditional architecture. The upper level includes the living room, kitchen, dining area, and 3 en suite bedrooms, out of which one is the master. Laundry and children's playroom are also found on this level. Two spacious suites are situated on the lower level, overlooking Ftelia Bay with a shared balcony.
