At Vision Beach you will experience the quality of hotel service in your own private villa. Three master bedrooms have stunning views of the turquoise waters and the beautiful white sand. A further two family rooms enable the house to cater for up to 14 guests. Professionally trained staff including chef, butler and maid pander to your every need and ensure you are able to enjoy every moment of your holiday. In the cool of the early morning take long walks on the miles of beach and for the more active make use of a selection of kayaks and paddle boards. Experience the sunsets from the beach deck with the waves lapping only a few feet away or relax in the hot tub with a freshly prepared cocktail. After dinner, gather by the outdoor bar with pool table for a bit of evening fun with family and friends. Retire by the firepit for the perfect way to end the night while your favourite tunes play in the background.
