DESCRIPTION

The spacious interiors with impressively high ceilings, the cornices and moldings running along the walls, the huge picture windows with their sophisticated glazing... All the architectural details bear the signature of an all-but-forgotten refinement. In the private terrace just as in all the rooms, the deliberately designer-style decoration further heightens the sense of space. Everything is bright, calm and restful. Ideal for an extended leisure or business stay, for a stay as as family or among friends. The 250 sq.m. luxury apartment rental complete with terrace and 5 star services provided by La Réserve Paris – Hotel and Spa gives a sense of reliving the atmosphere of the city's grand historical mansions.
