DESCRIPTION

The furnishings and interior design successfully blend natural elements of wood, granite and stone with contemporary sophistication. All three bedrooms feature super king beds using luxury white linen from England and are air-conditioned with screened louvered doors opening to a patio overlooking the pool with a view to the neighboring islands. They also have ensuite bathrooms including two outdoor showers.

There are two living areas – inside featuring a double height ceiling with fans and outside adjacent to the dining area and TV and computer room. A fully equipped modern kitchen with American appliances allows the guests to do as much cooking or as little as they wish whilst others can simply sit by the outside bar and enjoy the breathtaking tropical sunset.
