DESCRIPTION

As you enter through the main entrance, a highed ceiling with a gentle breeze coming from the garden welcomes you to a large and sober foyer sprinkled with subtle modern touches and governed by a minimalistic outlook.

Far and wide, each furniture was savvily positioned all over this masterpiece to find the perfect balance to offer a relaxed ambiance for all guests, friends or family, no matter who you are here with, because this villa's axiom is just to lay back and enjoy all its unique amenities, outstanding concierge service and dining experience.

When going upstairs to the second floor you will find 7 of the 9 bedrooms. There are two master bedrooms with a King bed, an en-suite bathroom and Jacuzzi on the terrace. Then, you have 4 double bedrooms with 2 Queen beds and en-suite bathroom each and the seventh bedroom, ideal for families, has 2 Queen beds and 2 Twin Bunk Beds with its en-suite bathroom. Finally, when going downstairs you will find the eighth bedroom, another master with a King bed and en-suite bathroom next to the last bedroom with 2 Queen beds and en-suite-bathroom.

After a long beach day, the outdoor pool is the ideal break to cool off and then, sit on the large alfresco dining to enjoy a Dominican drink while planning your next day's activities.

Another option is to pump or simply keep your shape in the most advanced home gym you will find in the Caribbean. This fitness room was bestowed with the world renowned brand TECHONGYM equipment.
