DESCRIPTION

Think eco chic when you are imagining your stay at Zacil Na. The newly added solar panels on the roof make it self-sustainable, while the two brand-new bedrooms overlook the lush greenery of the garden. A private open-air shower on the beach will allow you to enjoy the tropical breeze whilst admiring the ocean. The secluded beach gives you the choice of swimming in the natural waters or the three-way infinity pool while enjoying the breeze and the calm of Puerto Aventuras. After sunset, wash off the salt water under the stars in Zacil Na's 'moon shower', located in one of the brand-new bedrooms.
