DESCRIPTION

Luxury Ski Apartment in Méribel Village

Inside, Les Belles Alpes 1 combines contemporary alpine style with warm mountain comfort in the heart of Méribel Village. Located at the foot of the slopes and moments from the village centre, this elegant 270 sqm apartment offers the perfect setting for a luxury ski escape in the French Alps.

Spread across two floors, the apartment welcomes up to 10 adults and 4 children. The main living level features an open-plan design with generous entertaining spaces, including a spacious lounge, sleek modern kitchen, and a large dining table where up to 14 guests can dine comfortably.

Natural tones, refined furnishings, and a fireplace create a cosy alpine atmosphere throughout. Large bay windows fill the living area with natural light and open onto a southwest-facing terrace with outdoor seating and mountain views.

Bedrooms & Family Living

Les Belles Alpes 1 features five elegant double bedrooms, each with its own en-suite shower room, creating privacy and comfort for every guest.

The lower level includes a dedicated children's area with a large dormitory sleeping four guests, alongside a shower room and TV games room. Therefore, the apartment works perfectly for families and larger groups looking for flexible mountain accommodation.

In addition, the lower floor includes a sauna, laundry room, ski room, and direct access to two covered parking spaces.

Wellness & Alpine Comfort

After a day on the slopes, guests can unwind in the private sauna or relax beside the fireplace in the main living area.

The apartment also includes premium hospitality services designed to make every stay seamless and comfortable. Guests benefit from daily housekeeping, welcome amenities, linen service, and end-of-stay cleaning.

Winter stays also include champagne, slippers, luxury bathroom products, and complimentary firewood.

Location & Ski Access

Les Belles Alpes 1 enjoys an exceptional ski location in Méribel. The apartment sits only 50 metres from the village centre and just 150 metres from the slopes and ski lift.

Guests can quickly access the Piste du Lapin slope and the Télésiège du Golf ski lift, providing seamless connection to the world-renowned Les Trois Vallées ski area.

While the apartment offers peaceful alpine surroundings, restaurants, shops, and village amenities remain only moments away.

In other words, guests can enjoy both convenience and mountain tranquillity throughout their stay.
