DESCRIPTION

Villa Kidman – Luxury Villa Cap d’Ail Near Monaco

Although the villa sits just three minutes from the vibrant energy of Monte Carlo, it feels completely secluded. Established palms, lush lawns and uninterrupted sea views create a rare sense of calm. At the same time, a sophisticated security and alarm system ensures complete discretion.

Six Sea View Suites Across Main House and Guest House

This luxury villa Cap d’Ail offers six air-conditioned bedroom suites and seven bathrooms, each enjoying spectacular sea views. Three suites sit within the main house, while a further three occupy a beautifully appointed guest house. As a result, the layout provides flexibility for families, business guests or extended groups seeking privacy.

Every room embraces the Mediterranean backdrop, allowing natural light and coastal vistas to shape the atmosphere throughout.

Heated Infinity Pool and Sunset Terraces

Outdoors, a large heated infinity pool anchors the garden terrace. From here, you can watch the sun set behind the neighbouring Saint-Jean-Cap-Ferrat peninsula while the Mediterranean glows below. Spacious terraces encourage long evenings of dining, entertaining and quiet relaxation.

Furthermore, the villa includes a private fitness room and cinema room, offering leisure options at any time of day. Wireless WiFi runs throughout, and a professionally equipped office supports business travellers who require a refined working environment.

Chauffeured Bentley and Prime Riviera Location

What truly distinguishes this luxury villa Cap d’Ail is its dedicated Bentley Flying Spur limousine with private driver (at additional charge). Guests can travel effortlessly to nearby
