DESCRIPTION

In its wood and stone setting, the chalet reveals generous and refined spaces, where the timeless elegance of Alpine style meets contemporary touches that invite relaxation and sharing.

The three double en-suite bedrooms offer refined comfort, each with a private shower and toilet, ensuring privacy and rest after a day on the slopes. The large living room, the true heart of the chalet, is distinguished by its glass roof, which floods the space with abundant natural light, revealing the subtle harmony between warm wood and contemporary materials. Its generous proportions and convivial layout create the ideal setting for relaxing, sharing moments with family or friends, or simply contemplating the village and surrounding peaks in a gentle and soothing atmosphere.

Designed for well-being and pleasure, the chalet also features a massage area, heated swimming pool, jacuzzi and cinema room, offering unparalleled moments of relaxation.
