DESCRIPTION

Outside, there's a superb hot tub with magnificent mountain views. Alongside, the private terrace offers an unforgettable location in which to socialise or to dine al fresco.

Inside, the large, open-plan living space is dominated by the statement feature fireplace. Around this, a fourteen-seat dining table overlooks the rooftops and a fireside lounge opens out onto the terrace space. After dining, why not retire to the games room, where you'll find a pool table, darts and bar seating.

The bedrooms are spacious and serene, reflecting the alpine aesthetic throughout, with pale timbered walls and crisp, white linens.

That you can ski straight out onto the piste is a boon. But perhaps the best feature is the pool and spa area: with pool, poolside day beds, infrared cabin, vital bar and pristine treatment room.

Plus, to the rear of the property, there's an ice rink - perfect for keeping the kids amused or enjoying a romantic, private skate under the starry night sky.
