DESCRIPTION

The chalet is distinguished by its Zen-inspired wellness concept, where relaxation and wellbeing take centre stage. A private indoor pool, hammam, sauna and fully equipped fitness area provide a complete sanctuary for recovery and balance, while expansive outdoor spaces open onto sweeping mountain views, inviting moments of quiet reflection and connection with nature.

Spacious interiors, refined finishes and carefully designed living areas make the chalet ideal for both families and groups of friends, offering comfort, privacy and a seamless sense of flow throughout.

THE SPACES

Chalet Crystal unfolds across multiple levels, offering generous living areas, private suites and dedicated spaces for leisure and wellbeing, all designed with a refined and contemporary alpine aesthetic.

Living Area & Dining

The main living area is designed for both relaxation and entertaining. A spacious lounge features plush sofas, a wood-burning fireplace and a professional wet bar, creating a warm and social atmosphere. This space flows seamlessly into an elegant dining area, ideal for shared meals and gatherings. The ultra-modern kitchen is centred around a large island and equipped with professional-grade appliances, designed to accommodate both self-use and private chef experiences. The entire living space is open, fluid and inviting, balancing comfort with understated luxury.

Sleeping Quarters

The chalet features a master suite designed as a private sanctuary, complete with a king-size bed, two walk-in wardrobes, a fireplace and a luxurious en-suite bathroom with Jacuzzi bathtub. Five additional suites offer the same level of comfort and refinement, each with double beds, private lounge areas, walk-in closets and en-suite bathrooms featuring Jacuzzi baths and power showers. One of the suites also includes a fireplace, adding an extra layer of warmth and exclusivity.

Entertainment & Wellness

An entire level is dedicated to leisure and entertainment. A second living room with its own wet bar offers an additional space to gather, alongside a games room and a TV lounge designed for relaxed evenings. These areas create a natural separation between social and private moments, enhancing the overall sense of space. A dedicated soundproof cinema room offers a fully immersive experience, with a professional 100-inch screen and seating for up to 14 guests — ideal for private screenings and relaxed evenings indoors.

Additional Facilities

The chalet also features a heated ski room with boot warmers and secure underground parking for multiple vehicles, ensuring comfort and practicality throughout the stay.
