DESCRIPTION

Chalet Alfio – Luxury Ski Chalet on Kronplatz

Chalet Alfio is a refined alpine retreat located directly on the slopes of Kronplatz, offering true ski-in/ski-out access in one of the most prestigious ski areas of the Dolomites. Surrounded by a private forest and open alpine garden, it combines peaceful seclusion with immediate access to the village and ski infrastructure.

As a result, Chalet Alfio delivers both convenience and immersion in nature.

Authentic Alpine Design with Modern Comfort

The chalet is crafted using aged wood and local stone, reflecting the traditional architectural heritage of the region.

At the same time, contemporary design elements and refined finishes introduce a modern sense of comfort. In addition, large floor-to-ceiling windows fill the interiors with natural light and frame uninterrupted mountain views.

Therefore, the atmosphere feels warm, elegant, and deeply connected to its surroundings.

Elegant Living Spaces with Fireplace

Chalet Alfio features spacious living areas designed for both relaxation and social time.

A central fireplace creates a cosy focal point, making the main living space ideal for evenings after skiing. In addition, open-plan layouts ensure a smooth flow between dining and lounge areas.

Private Wellness & Relaxation

The chalet includes a private wellness area designed for post-ski recovery and year-round relaxation.

Guests can unwind in a tranquil spa environment, enhancing the sense of comfort and

wellbeing. Consequently, the chalet is equally suited to active ski holidays and peaceful retreats.

Outdoor Living in a Private Natural Setting

Outside, Chalet Alfio is surrounded by forest and landscaped garden areas.

Dedicated outdoor spaces allow for al fresco dining and relaxation in all seasons. Moreover, the natural setting provides privacy while maintaining a strong connection to the alpine environment.

Direct Access to Kronplatz Ski Area

One of Chalet Alfio’s key highlights is its ski-in/ski-out access to Kronplatz.

Guests can step directly onto the slopes and explore the wider Dolomiti Superski network. Therefore, it is an ideal choice for ski enthusiasts seeking maximum convenience.

Year-Round Alpine Destination

Located in the heart of the Dolomites, Chalet Alfio offers year-round appeal.

In winter, guests enjoy world-class skiing, while summer brings hiking, cycling, and panoramic mountain trails. In addition, nearby villages provide restaurants, culture, and traditional alpine charm.
