DESCRIPTION

This next-generation sailing catamaran features five en-suite guest cabins. It offers optimal onboard comfort and privacy, and its innovative zoned air-conditioning system allows each cabin personalized climate control.

The elevated lounge provides shaded wraparound seating and sunbed for taking in 360-degree views. Unique among charter vessels, the lounging areas were specially designed to be safe to enjoy even while under sail. Come sunset, the alluring blue underwater lights add a touch of flair and fun.

In addition to the contemporary design details and expansive windows, the 5000 also includes a skylight, onboard water-maker, electric flush heads, and an inverter for powering electronic devices. The cockpit serves as an extended galley with electric grill and seating for up to 10. The yacht features four refrigerators and freezers for maximum storage.

There's simply no better way to spend your precious holiday time than helming a Moorings 5000.
