DESCRIPTION

Villa Emburey is a superb Ibizan villa in Roca Llisa, a gated community with 24-hour security halfway between Ibiza Town and the beach resort town of Santa Eulalia del Rio.

This stretch of Ibiza's east coast is characterised by secluded rocky coves as well as being home to Ibiza's only golf course, but you're also just a short drive from the golden sands of Talamanca to the south and Santa Eulalia del Rio to the north.

Occupying a precipitous position on the hillside, the dramatic modern silhouette of Villa Emburey graces its scenic clifftop perch. A vertiginous infinity pool stretches out over scrubby hillside to provide dramatic sea views.

On the wide wooden deck that runs the length of the pool, laze on oversize daybeds or loungers and revel in the sparkling sea views as you soak up some Ibizan sunshine. Or relax in the lounge seating alongside, shaded by the building's white rendered walls.

As the wooden deck stretches to the interior space, it is home to a barbeque and a large al-fresco dining table, seating eight. This is a fabulous entertaining space. And, in the morning, it is a quiet and peaceful spot from which to enjoy the Ibizan sunshine crawling into the sky from the twinkling sea.

Villa Emburey's minimalist styling continues inside with gleaming polished floors, a monochrome palette, huge white leather sofas and walls of glass, creating a spacious and bright living space that is both welcoming and practical. There's another large dining table and a sleek and well-equipped kitchen alongside.

Accents of bright red bring life to the monochrome palette that continues into the five light and spacious bedrooms. With high ceilings and huge windows, these rooms allow the bright Ibizan sunshine to sweep into every corner of the house. The fifth double room has exterior access and a small kitchen.

With its smart, modern design and thoughtful touches, Vista Infinita combines sleek modernity with convenience and comfort. The views from its windows are sheer joy. The peaceful location, stunning views, and sleek, modern pool deck make this property a stylish but practical choice.
