Luxury Villa Living

DESCRIPTION

A grand staircase and wrought-iron sculptural chandelier welcomes you to Go Easy. On the ground floor of the villa there is the Great Room - well stocked with books and games, an air-conditioned family room, an outdoor dining room and extremely spacious covered living patio that leads to the pool area. A large bedroom suite featuring a four-poster bed and opening onto a private terrace is also located on the ground floor. Go Easy boasts a large infinity edge pool, Jacuzzi, and pool pavilion. The pavilion has a wet bar and an impressive 48 inch built in gas barbecue making the pavilion an ideal spot for sundowners and casual evening barbecue dinners by the pool. A short distance from the pool is the villa's private tennis court and gazebo. Go Easy is only one of two private villas in Sugar Hill with its own tennis facilities.

Formal meals can be taken at the magnificent 12 seat marble table on the outdoor dining patio where you are surrounded by tropical foliage. The dining area enjoys cooling breezes supplemented by ceiling fans and the soothing sound of trickling water from a water feature that flows under a wooden bridge between the dining and living patios. At night, candles, feature lighting and the stars combine to make for a magical setting for a memorable meal or celebration with family and friends.

Nearby is the air-conditioned family room that provides a cool retreat from the midday heat. Here you can enjoy state of the art video/audio entertainment on a comfy sectional with your snack or refreshment of choice. Due to the proximity to the dining patio, adults can enjoy a private meal while still keeping an eye on the children in the family room.

Go Easy has four spacious air-conditioned bedrooms in the main house each with a private balcony and magnificent marble tiled en suite bathrooms. Those guests who prefer not to use air conditioning will enjoy the way the bedrooms have been designed to take advantage of the trade winds. Three of the four bedrooms have four-poster beds. In addition one room has a full size 3 ft day bed. Each room has a fridge, tea/coffee making facilities and a dressing room with a safe and hairdryer. All bedrooms are equipped with best quality towels and bathrobes.

A guest cottage provides flexible accommodation with two air-conditioned double/twin bedrooms with en-suite bathrooms, sharing a fully equipped kitchen and a shaded patio by the swimming pool.

The villa is staffed with Housekeepers that keep the property spotless, servicing bedrooms and bathrooms each morning and will launder any clothes as requested. Additional staff such as a Chef, Butler, babysitters etc. can be hired as required.

Go Easy is located in Sugar Hill Resort Community that offers a number of resort amenities including a Clubhouse, acclaimed restaurant, two communal swimming pools, and four championship tennis courts. Sugar Hill has had tennis stars such as Serena Williams and Caroline Wozniaki play on their courts.
