DESCRIPTION

Luxury Beachfront Villa Praslin has the main residence with 3 ensuite bedrooms and an infinity pool. The 2 independent guest villas each have their own private pool.

Completed in 2014 the villa was conceived by the Indian Ocean Architectural practice Artema known for their contemporary tropical elegance with the 'French touch'. The designers have made the maximum of this beachfront plot and its lush tropical gardens. Villa Praslin immerses itself in nature. Space and light are of importance including the use of natural materials.

Tucked away, the private villa is set in a uniquely private location with a pristine private beach. From the villa there are mesmerizing views of the ocean.
